Dear Friends,

The Veterans Association of Easttown & Tredyffrin Townships will be hosting the 18th Annual ***Berwyn Veterans Victory Run*** on ***Saturday, May 18, 2019 (Armed Forces Day) at Johnson Park in Berwyn.*** The 5K Run/Walk and Pat DeHaven's Kid Race has proven to be a popular community event and is attended by over 150+ runners, supporters, families, volunteer organizations (Boy Scouts, Rotary, High School clubs, etc), community leaders, and first responders.

The Veterans Association sponsors this event each year to raise awareness and support veterans who served our country through:

- Memorials dedicated to community veterans.
- Financial assistance helping veterans and their families in need.
- Scholarship awarded to young leaders that demonstrate veteran values and character.
- Support to families in the community of deployed service members.

Additionally, this year, we partnered with two of our State Representatives and Major General (Ret) Walt Lord of Valley Forge Military Academy to recognize the Vietnam Veterans in our community as authorized by the Secretary of Defense.

You can support us through contributions, sponsorships, and gift certificates for raffle prizes. We remain vigilant guardians of the donations entrusted to us and our 100% volunteer organization is deeply invested alongside our donors. You can see pictures from past events on our webpage at www.berwynveteransmemorial.com and our Facebook page proudly located at
